

COST SHARED DUST SUPPRESSION PROGRAM

Please Provide Required Information (as shown in red)

I, _____, resident and/or ratepayer of the confines of the Athabasca County do hereby pay the sum of \$300.00 + GST, representing my portion of the payment for dust control treatment which will be applied as 200 lineal meters of road treatment on the local road adjacent to the location of my residence/business as described below:

Registered Owner: Name: _____ Address: _____ Phone: _____ Cell: _____ Email: _____ Permanent Residential Dwelling: Yes <input type="checkbox"/> No <input type="checkbox"/>	Occupant (If Applicable): Name: _____ Address: _____ Phone: _____ Cell: _____ Email: _____ Permanent Residential Dwelling: Yes <input type="checkbox"/> No <input type="checkbox"/>
---	---

The "Owner" is the owner/occupant of the following lands described as:

QTR	SEC	TWP	RGE	MR	PLAN-BLOCK-LOT	RURAL ADDRESS
				4		

Note: Any dust abatement length requested in addition to the standard 200-meter length will not qualify for cost shared rates. The full dust abatement rate of \$575.00 + GST per 100 meters shall apply to those additional lengths. (A minimum of 100 meters lineal length is required for additional dust abatement)

Additional Length Requested (m): _____ Additional Cost (\$): _____

Disclaimer: Application deadline is the first Friday in April that does not fall on a statutory holiday. Applications received after midnight April 10, 2026 will be subject to a \$250.00 penalty and only be completed if there is administrative capability. Completed forms can be emailed to info@athabascacounty.com

Each applicant is eligible for one (1) 200-meter cost shared dust suppression. Exception: Residents who live on the corner of a Township and Range Road are eligible for two (2) 200-meter cost shared dust suppression with 200 meters placed on each of the township and range roads.

I acknowledge that the said treatment will not take place until the County Forces are available. Any movement of stakes must be requested through the Infrastructure Services Department and if approved, will be completed by Public Works personnel

Athabasca County accepts payment on the aforementioned terms with the parties hereto acknowledging and agreeing that the said roadway that is to be treated can be reverted to gravel when it is deemed necessary by the County for the purpose of elimination of potholes, maintenance and upkeep of the roadway. This agreement is limited to one treatment per residence at the aforementioned rate.

Athabasca County **does not guarantee any particular level of dust suppression** as a result of the application of dust suppression product and undertakes only to apply the said dust suppression product in the same prudent, expedient, and efficient manner followed when applying dust suppression products on the County roads under the regular County Dust Suppression Program. The County will not be held liable for any damages to vegetation on private property adjacent to dust suppression treatment areas.

It is also hereby acknowledged that if the County is unable to arrange for application of dust suppression products due to financial, weather or other conditions, the full amount of the payment will be refunded to the applicant, and no further obligation will be due to the applicant by the County, as related to dust suppression. Athabasca County also has the right to refuse the application of dust suppression if so deemed unfeasible after inspection of the site.

Dated this _____ day of _____, A.D., 20____ at the Town of Athabasca in the Province of Alberta.
